What is the GREAT LAKES CHAPTER of AAAE?

The Great Lakes Chapter of the American Association of Airport Executives (AAAE) is one of six regional Chapters recognized by AAAE. The Great Lakes Chapter was formed in 1968 and serves airports in twelve mid-western states including IL, IN, IA, KY, MI, MN, MO, ND, NE, OH, SD, WI and the Canadian Provinces of Manitoba and Ontario. Each State and Province has a representative on the Chapter Executive Committee. Like the national organization, the Great Lakes Chapter strives to promote professionalism in the airport management career field and provides educational and networking opportunities to all categories of airport personnel as well as to college students pursuing airport management related career fields. The Chapter offers the following programs and opportunities for the benefit of our members:

- A family oriented Annual Conference and Business Meeting at various locations within the Chapter area.
- A General Membership Meeting each year at the AAAE Annual Conference.
- A Winter Executive Committee Meeting in February or March of each year at a location within the Chapter designated by the President.
- We recently started hosting an Operations & Maintenance conference each fall. This conference is held in the Chicago area to increase participation from FAA representatives working at the FAA Great Lakes regional office.
- We co-host the annual National Airport Economic Development Conference Service Conference and Airport FBO Ownership Workshop at various locations throughout the country with AAAE.
- We co-host the National Aviation Environmental Management Conference at various locations throughout the country with AAAE.
- We provide scholarships and financial assistance and mentoring to members and student members to promote their professional development and to achieve AAAE accreditation.
- We recognize exemplary performance in the field of Aircraft Rescue and Firefighting with an annual Valor Award open to national competition and an Achievement Award within the Chapter annually.

We invite you to consider membership in the Great Lakes Chapter, American Association of Airport Executives and opening the door to new opportunities for you within the Chapter region and nationally.
Scholarship and Development Assistance Details for Students:

Instructions: In order to apply for assistance, you must be an individual member of the Great Lakes Chapter (GLC) of the AAAE by applying separately and paying $35 annual dues, while being a student of airport management. Any requests for Scholarship and Development Assistance reimbursement may be submitted with this application for an AAAE event or other assistance needs that occurred within the preceding 12 months or will occur within the upcoming 12 months. Reimbursements will be awarded to student members upon confirmation of successful completion of an examination program, conference or course work attendance. The information presented on this application will determine your eligibility for this assistance and will also be used as a basis for your ranking. For this reason, it is important that you answer all questions completely and attach your autobiography and your statement of interest. You may attach a resume, recommendation letters or any other additional information you believe is pertinent. If you need additional room to respond, please attach a sheet that includes a reference to the question you are responding to.

For any questions, please contact Mark Miller at 612-726-5111, or mark.miller@mspmac.org
Applications must be received at the following address by October 15, 2016:
